EMPOWERING YOUTH & FAMILIES

VIRTUAL SPEAKER SERIES

EPISODE: 01 • TUESDAY, FEBRUARY 23RD @ 12:00 PM – 1:30 PM

“BLUNT TRUTH: WHAT’S THE BIG DEAL WITH CANNABIS?”

Cannabis has changed, and what we know about its effects has changed too! While it is certainly not the ‘war on drugs’ it used to be, there is information youth and their communities should have when discussing and making decisions about cannabis use. The aim of this presentation is to provide you with the most up-to-date and accurate information regarding cannabis: what strains are out there; how different chemical compositions cause distinct impacts; youth specific effects, including addiction; and safer use.
