BRIDGING THE GAP: MASLOW'S HIERARCHY OF NEEDS

Breaking down Maslow's hierarchy in order to understand how we need the community to fill in the gap to achieve success and self-sufficiency. Kelly Jones, who has experienced generational poverty and is now currently working for YWCA Muskoka as the Circles Coach for South Muskoka and Bridges out of Poverty Facilitator will break down Maslow's hierarchy with stories of lived experience, not only from herself but those from the community in order to help understand the need for the community to fill in the gaps to help achieve success and self sufficiency.
